

Helena Lindberg

Evidensia Djursjukvård, Gothenburg, Sweden

As a certified veterinary nurse Helena has worked for many years at multiple veterinary clinics and specialty hospitals. She is very experienced in both the field of anesthesia and ECC. She is currently employed at Evidensia Gothenburg Small Animal Referral Hospital. She is a certified RECOVER rescuer and as such she is very much involved in providing training and organizing workshops in CPR. Helena is very much looking forward to be part of the team preparing for the best possible EVECC congress experience.
