Department of Pharmacology and Toxicology, Faculty of Veterinary Medicine, University of Zagreb, Croatia

I graduated from the Faculty of Veterinary Medicine, University of Zagreb in 2019. Following graduation, I completed an internship in small animal emergency and critical care at the University of Liège, Belgium, focusing on the management of critically ill patients. In 2021, I transitioned to a position as a research and teaching assistant in the Department of Pharmacology and Toxicology at the Faculty of Veterinary Medicine, University of Zagreb. I am currently working towards a PhD. My areas of interest are clinical pharmacology and toxicology.
